The final cast is : Cracker under the Settee (Kath), The Outside Dog (Sue), Bed amongst the Lentils (Lynn) and Chip among the Sugar (Matt Jones)

Lynn will speak to Malcolm about the poster. Chris friend Jude will help at rehearsals. Lynn to apply for the license. All rehearsal spaces are booked. Chris suggests one or two performances at the fringe. CTG is booked. We owe £95 for it.

Some of my best Friends are Women

We will get Noda to adjudicate this play. Colin has the scripts. He suggests a traditional stage set. Colin will do an audition package and Vony to produce.

A Mouse's Tale

Lynn has read a Mouses Tale and is happy to direct. Arnold suggested a workshop to run through a script as it is not just a childrens production. There are some serious themes also..

Allo Allo

Arnold thinks he may be double booked for the 27/28 but will contact Malcolm and Neil to check dates. There was some discussion whether KP could sell tickets also for Allo Allo but it was agreed this would be difficult to coordinate. We will discuss this when Malcolm is here next time.

Youth group

Jake said there are 20 people or so interested. Workshop dates are 10 and 17 April. Jake will book the Centre. Centre 788788 and Brian Moores for the Hurst 01928 787442.. Lesley will pay for the rehearsal spaces. Angela Vony and Colin will help.. Jake needs to do a register and make sure there are enough that are CRB checked. A junior safeguarding policy is also needed. Sue Jake and Mary will coordinate this.

The workshops will be drama games and icebreakers. The second one may include singing and dancing.

The funding has not been secured unfortunately for the film so another application will be made.

The junior production may be a showcase with a supper.
