Productions

OWALW

Great coverage in Northwich Guardian and Norley News. "Absolutely stunning performance!"

Bite Size Shakespeare

Vony sent an update. Maybe more help needed with FOH. Colin doing more advertising and teasers in the village. Child protection has been sorted by Mary. It was agreed to leave seats as per box office website. Ticket sales average so far.

Oliver

Is cast. 60 people came to audition. Strong Cast. Rehearsals start beginning of November/

Lord Arthur Savile's Crime (18 – 21 May 2016)

No Directors have come forward yet to direct this suggested play or any other. We may not do a play in May if this doesn't change.

Some of my Best Friends are Women (19 22 October 2016) Director – Colin Smith)

Cast of 5 ladies and 2 men. Colin was struggling to get hold of publisher as had gone out of business so contacted the playwright directly.

Bouncers

Set for October 2017. Maybe could do a bit earlier if clashes with panto but only 5 men in it anyway.

NODA/CTG

Barry Dilsworth wanted to be proposed as Noda Rep so a vote was cast and carried and Lynn and Fran completed the requested paperwork.

£190 hasn't been cashed by CTG so Fran to check that the adjudications are still booked.

Colin will take over responsibility of CTG and Noda to help Fran

Workshops/Playreadings and selection

Possibly they will begin next March / May

Players' Social Matters

The Christmas Party was discussed and a date set for Friday 11 December. The Tigers Head and Pesto are to be contacted to check availability.

Any other Business

It was agreed that we can make Ashton Heyes flyers available during Shakespeare performance nights.

Colin is writing another panto and would like to put it on with music from Arnold 2017. "Cinderella"

We need more directors. Maybe Ed would do more. Maybe we could do a full length Shakespeare ?

Date for next meeting set for Wednesday 11 November
